- 6 (17) Discharge and appoint successors to employees of the
- 7 department of redevelopment subject to subdivision (14).
- 8 (18) Rent offices for use of the department of redevelopment, or

- 15 (21) Contract for the construction of:
- 16 (A) local public improvements (as defined in IC 36-7-14.5-6)

- 21 development.
- 22 (22) Contract for the construction, extension, or improvement of
- 23 pedestrian skyways.
- 24 (23) Accept loans, grants, and other forms of financial assistance
- 25 from the federal government, the state government, a municipal
- 26 corporation, a special taxing district, a foundation, or any other
- 27 source.
- 28 (24) Provide financial assistance (including grants and loans) to
- 29 enable individuals and families to purchase or lease residential
- 30 units in a multiple unit residential structure within the district.
- 31 However, financial assistance may be provided only to individuals
- 32 and families whose income is at or below the unit's median
- 33 income for individuals and families, respectively.
- 34 (25) Provide financial assistance (including grants and loans) to
- 35 neighborhood development corporations to permit them to:
- 36 (A) provide financial assistance for the purposes described in
- 37 subdivision (24); or
- 38 (B) construct, rehabilitate, or repair commercial property
- 39 within the district.
- 40 (26) Require as a condition of financial assistance to the owner of
- 41 a multiple unit residential structure that any of the units leased by
- 42 the owner must be leased:

(A) for a period to be determined by the commission, which may not be less than five (5) years;

(B) to families whose income does not exceed eighty percent (80%) of the unit's median income for families; and

(C) at an affordable rate.

(27) This subdivision does not apply to a redevelopment commission in a county for which the total amount of net property taxes allocated to all allocation areas or other tax increment financing areas established by a redevelopment commission, military base reuse authority, military base development authority, or another similar entity in the county in the preceding calendar year exceeded nineteen percent (19%) of the total net property taxes billed in the county in the preceding calendar year. Subject to prior approval by the fiscal body of the unit that established the redevelopment commission, expend money and provide financial assistance (including grants and loans):

(A) in direct support of:

(i) an active military base located within the unit; or

(ii) an entity located in the territory or facilities of a military base or former military base within the unit that is scheduled for closing or is completely or partially inactive or closed, or an entity that is located in any territory or facilities of the United States Department of Defense within the unit that are scheduled for closing or are completely or partially inactive or closed;

including direct support for the promotion of the active military base or entity, the growth of the active military base or entity, and activities at the active military base or entity; and

(B) in support of any other entity that provides services or direct support to an active military base or entity described in clause (A).

The fiscal body of the unit that established the redevelopment commission must separately approve each grant, loan, or other expenditure for financial assistance under this subdivision. The terms of any loan that is made under this subdivision may be changed only if the change is approved by the fiscal body of the unit that established the redevelopment commission. As used in this subdivision, "active military base" has the meaning set forth in IC 36-1-4-20.

(28) Provide revenue to a public transportation corporation from property tax proceeds allocated under section 39 of this chapter as specified in a resolution adopted under

1 **IC 36-9-4-59.**

2 **(29) Provide revenue to a school corporation, for deposit in**
 3 **the school corporation's transportation fund established**
 4 **under IC 20-40-6-4, from property tax proceeds allocated**
 5 **under section 39 of this chapter as specified in a resolution**
 6 **adopted under section 39.6 of this chapter.**

7 (b) Conditions imposed by the commission under subsection (a)(26)
 8 remain in force throughout the period determined under subsection
 9 (a)(26)(A), even if the owner sells, leases, or conveys the property. The
 10 subsequent owner or lessee is bound by the conditions for the
 11 remainder of the period.

12 (c) As used in this section, "pedestrian skyway" means a pedestrian
 13 walkway within or outside of the public right-of-way and through and
 14 above public or private property and buildings, including all structural
 15 supports required to connect skyways to buildings or buildings under
 16 construction. Pedestrian skyways constructed, extended, or improved
 17 over or through public or private property constitute public property
 18 and public improvements, constitute a public use and purpose, and do
 19 not require vacation of any public way or other property.

20 (d) All powers that may be exercised under this chapter by the
 21 redevelopment commission may also be exercised by the
 22 redevelopment commission in carrying out its duties and purposes
 23 under IC 36-7-14.5. However, if a power pertains to issuing bonds or
 24 incurring an obligation, the exercise of the power must first be
 25 specifically approved by the fiscal or legislative body of the unit,
 26 whichever applies.

27 (e) A commission may not exercise the power of eminent domain.

28 SECTION 2. IC 36-7-14-39, AS AMENDED BY P.L.95-2014,
 29 SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 30 JULY 1, 2015]: Sec. 39. (a) As used in this section:

31 "Allocation area" means that part of a redevelopment project area
 32 to which an allocation provision of a declaratory resolution adopted
 33 under section 15 of this chapter refers for purposes of distribution and
 34 allocation of property taxes.

35 "Base assessed value" means the following:

36 (1) If an allocation provision is adopted after June 30, 1995, in a
 37 declaratory resolution or an amendment to a declaratory
 38 resolution establishing an economic development area:

39 (A) the net assessed value of all the property as finally
 40 determined for the assessment date immediately preceding the
 41 effective date of the allocation provision of the declaratory
 42 resolution, as adjusted under subsection (h); plus

- 1 (B) to the extent that it is not included in clause (A), the net
 2 assessed value of property that is assessed as residential
 3 property under the rules of the department of local government
 4 finance, as finally determined for any assessment date after the
 5 effective date of the allocation provision.
- 6 (2) If an allocation provision is adopted after June 30, 1997, in a
 7 declaratory resolution or an amendment to a declaratory
 8 resolution establishing a redevelopment project area:
- 9 (A) the net assessed value of all the property as finally
 10 determined for the assessment date immediately preceding the
 11 effective date of the allocation provision of the declaratory
 12 resolution, as adjusted under subsection (h); plus
- 13 (B) to the extent that it is not included in clause (A), the net
 14 assessed value of property that is assessed as residential
 15 property under the rules of the department of local government
 16 finance, as finally determined for any assessment date after the
 17 effective date of the allocation provision.
- 18 (3) If:
- 19 (A) an allocation provision adopted before June 30, 1995, in
 20 a declaratory resolution or an amendment to a declaratory
 21 resolution establishing a redevelopment project area expires
 22 after June 30, 1997; and
- 23 (B) after June 30, 1997, a new allocation provision is included
 24 in an amendment to the declaratory resolution;
 25 the net assessed value of all the property as finally determined for
 26 the assessment date immediately preceding the effective date of
 27 the allocation provision adopted after June 30, 1997, as adjusted
 28 under subsection (h).
- 29 (4) Except as provided in subdivision (5), for all other allocation
 30 areas, the net assessed value of all the property as finally
 31 determined for the assessment date immediately preceding the
 32 effective date of the allocation provision of the declaratory
 33 resolution, as adjusted under subsection (h).
- 34 (5) If an allocation area established in an economic development
 35 area before July 1, 1995, is expanded after June 30, 1995, the
 36 definition in subdivision (1) applies to the expanded part of the
 37 area added after June 30, 1995.
- 38 (6) If an allocation area established in a redevelopment project
 39 area before July 1, 1997, is expanded after June 30, 1997, the
 40 definition in subdivision (2) applies to the expanded part of the
 41 area added after June 30, 1997.
- 42 Except as provided in section 39.3 of this chapter, "property taxes"

1 means taxes imposed under IC 6-1.1 on real property. However, upon
2 approval by a resolution of the redevelopment commission adopted
3 before June 1, 1987, "property taxes" also includes taxes imposed
4 under IC 6-1.1 on depreciable personal property. If a redevelopment
5 commission adopted before June 1, 1987, a resolution to include within
6 the definition of property taxes, taxes imposed under IC 6-1.1 on
7 depreciable personal property that has a useful life in excess of eight
8 (8) years, the commission may by resolution determine the percentage
9 of taxes imposed under IC 6-1.1 on all depreciable personal property
10 that will be included within the definition of property taxes. However,
11 the percentage included must not exceed twenty-five percent (25%) of
12 the taxes imposed under IC 6-1.1 on all depreciable personal property.

13 (b) A declaratory resolution adopted under section 15 of this chapter
14 on or before the allocation deadline determined under subsection (i)
15 may include a provision with respect to the allocation and distribution
16 of property taxes for the purposes and in the manner provided in this
17 section. A declaratory resolution previously adopted may include an
18 allocation provision by the amendment of that declaratory resolution on
19 or before the allocation deadline determined under subsection (i) in
20 accordance with the procedures required for its original adoption. A
21 declaratory resolution or amendment that establishes an allocation
22 provision must include a specific finding of fact, supported by
23 evidence, that the adoption of the allocation provision will result in
24 new property taxes in the area that would not have been generated but
25 for the adoption of the allocation provision. For an allocation area
26 established before July 1, 1995, the expiration date of any allocation
27 provisions for the allocation area is June 30, 2025, or the last date of
28 any obligations that are outstanding on July 1, 2015, whichever is later.
29 A declaratory resolution or an amendment that establishes an allocation
30 provision after June 30, 1995, must specify an expiration date for the
31 allocation provision. For an allocation area established before July 1,
32 2008, the expiration date may not be more than thirty (30) years after
33 the date on which the allocation provision is established. For an
34 allocation area established after June 30, 2008, the expiration date may
35 not be more than twenty-five (25) years after the date on which the first
36 obligation was incurred to pay principal and interest on bonds or lease
37 rentals on leases payable from tax increment revenues. However, with
38 respect to bonds or other obligations that were issued before July 1,
39 2008, if any of the bonds or other obligations that were scheduled when
40 issued to mature before the specified expiration date and that are
41 payable only from allocated tax proceeds with respect to the allocation
42 area remain outstanding as of the expiration date, the allocation

provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds

payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; times

(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not

1 receive a credit under this section and a credit under section
2 39.5 of this chapter (before its repeal) in the same year.

3 (J) Pay expenses incurred by the redevelopment commission
4 for local public improvements that are in the allocation area or
5 serving the allocation area. Public improvements include
6 buildings, parking facilities, and other items described in
7 section 25.1(a) of this chapter.

8 (K) Reimburse public and private entities for expenses
9 incurred in training employees of industrial facilities that are
10 located:

11 (i) in the allocation area; and

12 (ii) on a parcel of real property that has been classified as
13 industrial property under the rules of the department of local
14 government finance.

15 However, the total amount of money spent for this purpose in
16 any year may not exceed the total amount of money in the
17 allocation fund that is attributable to property taxes paid by the
18 industrial facilities described in this clause. The
19 reimbursements under this clause must be made within three
20 (3) years after the date on which the investments that are the
21 basis for the increment financing are made.

22 (L) Pay the costs of carrying out an eligible efficiency project
23 (as defined in IC 36-9-41-1.5) within the unit that established
24 the redevelopment commission. However, property tax
25 proceeds may be used under this clause to pay the costs of
26 carrying out an eligible efficiency project only if those
27 property tax proceeds exceed the amount necessary to do the
28 following:

29 (i) Make, when due, any payments required under clauses
30 (A) through (K), including any payments of principal and
31 interest on bonds and other obligations payable under this
32 subdivision, any payments of premiums under this
33 subdivision on the redemption before maturity of bonds, and
34 any payments on leases payable under this subdivision.

35 (ii) Make any reimbursements required under this
36 subdivision.

37 (iii) Pay any expenses required under this subdivision.

38 (iv) Establish, augment, or restore any debt service reserve
39 under this subdivision.

40 (M) Expend money and provide financial assistance as
41 authorized in section 12.2(a)(27) of this chapter.

42 **(N) Provide revenue to a public transportation corporation**

as specified in a resolution adopted under IC 36-9-4-59.

(O) Provide revenue to a school corporation, for deposit in the school corporation's transportation fund established under IC 20-40-6-4, as specified in a resolution adopted under section 39.6 of this chapter.

The allocation fund may not be used for operating expenses of the commission.

(4) Except as provided in subsection (g), before July 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3), plus the amount necessary for other purposes described in subdivision (3).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3) or lessors under section 25.3 of this chapter.

(C) If:

(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds

- 1 necessary to make, when due, principal and interest
 2 payments on bonds described in subdivision (3); plus
 3 (ii) the amount necessary for other purposes described in
 4 subdivision (3);
 5 the commission shall submit to the legislative body of the unit
 6 its determination of the excess assessed value that the
 7 commission proposes to allocate to the respective taxing units
 8 in the manner prescribed in subdivision (1). The legislative
 9 body of the unit may approve the commission's determination
 10 or modify the amount of the excess assessed value that will be
 11 allocated to the respective taxing units in the manner
 12 prescribed in subdivision (1).
- 13 (c) For the purpose of allocating taxes levied by or for any taxing
 14 unit or units, the assessed value of taxable property in a territory in the
 15 allocation area that is annexed by any taxing unit after the effective
 16 date of the allocation provision of the declaratory resolution is the
 17 lesser of:
 18 (1) the assessed value of the property for the assessment date with
 19 respect to which the allocation and distribution is made; or
 20 (2) the base assessed value.
- 21 (d) Property tax proceeds allocable to the redevelopment district
 22 under subsection (b)(3) may, subject to subsection (b)(4), be
 23 irrevocably pledged by the redevelopment district for payment as set
 24 forth in subsection (b)(3).
- 25 (e) Notwithstanding any other law, each assessor shall, upon
 26 petition of the redevelopment commission, reassess the taxable
 27 property situated upon or in, or added to, the allocation area, effective
 28 on the next assessment date after the petition.
- 29 (f) Notwithstanding any other law, the assessed value of all taxable
 30 property in the allocation area, for purposes of tax limitation, property
 31 tax replacement, and formulation of the budget, tax rate, and tax levy
 32 for each political subdivision in which the property is located is the
 33 lesser of:
 34 (1) the assessed value of the property as valued without regard to
 35 this section; or
 36 (2) the base assessed value.
- 37 (g) If any part of the allocation area is located in an enterprise zone
 38 created under IC 5-28-15, the unit that designated the allocation area
 39 shall create funds as specified in this subsection. A unit that has
 40 obligations, bonds, or leases payable from allocated tax proceeds under
 41 subsection (b)(3) shall establish an allocation fund for the purposes
 42 specified in subsection (b)(3) and a special zone fund. Such a unit

1 shall, until the end of the enterprise zone phase out period, deposit each
 2 year in the special zone fund any amount in the allocation fund derived
 3 from property tax proceeds in excess of those described in subsection
 4 (b)(1) and (b)(2) from property located in the enterprise zone that
 5 exceeds the amount sufficient for the purposes specified in subsection
 6 (b)(3) for the year. The amount sufficient for purposes specified in
 7 subsection (b)(3) for the year shall be determined based on the pro rata
 8 portion of such current property tax proceeds from the part of the
 9 enterprise zone that is within the allocation area as compared to all
 10 such current property tax proceeds derived from the allocation area. A
 11 unit that has no obligations, bonds, or leases payable from allocated tax
 12 proceeds under subsection (b)(3) shall establish a special zone fund
 13 and deposit all the property tax proceeds in excess of those described
 14 in subsection (b)(1) and (b)(2) in the fund derived from property tax
 15 proceeds in excess of those described in subsection (b)(1) and (b)(2)
 16 from property located in the enterprise zone. The unit that creates the
 17 special zone fund shall use the fund (based on the recommendations of
 18 the urban enterprise association) for programs in job training, job
 19 enrichment, and basic skill development that are designed to benefit
 20 residents and employers in the enterprise zone or other purposes
 21 specified in subsection (b)(3), except that where reference is made in
 22 subsection (b)(3) to allocation area it shall refer for purposes of
 23 payments from the special zone fund only to that part of the allocation
 24 area that is also located in the enterprise zone. Those programs shall
 25 reserve at least one-half (1/2) of their enrollment in any session for
 26 residents of the enterprise zone.
